RELEVANT EXPERIENCE

Elevate, Dallas TX   (Sept 2019-Present)
Developer I

As a Developer I, I develop internal tools in Angular 8+ and C#/.NET Core to improve the workflow for our customer service representatives. Developed API Integrations for a loan management system for loan data modification.

Leo A Daly, Dallas TX   (Dec 2018-Sept 2019)
Software Developer Intern

As a Software Developer Intern, I was assigned various tasks for our front facing public web site and our intranet. I worked closely with Front-End and Back-End Developers where we use WordPress and ASP.NET.

- Deploy and migrate existing company pages to WordPress
- Styling parts of the intranet and connecting it to the ASP.NET data source
